# WELCOME TO KORN FERRY TOUR GOLF

It is my pleasure to welcome you this week on behalf of everyone associated with the Korn Ferry Tour, from our dedicated staff, current membership and alumni, to the countless volunteers and proud sponsors.

This week, you have the unique opportunity to connect with and follow the next generation of PGA TOUR stars. Last season on the PGA TOUR, Viktor Hovland became the seventh Korn Ferry Tour alum to win the FedExCup, Wyndham Clark's victory at The Open marked the 29th major championship won by Korn Ferry Tour alumni, and Scottie Scheffler was named the Player of the Year Award for the second consecutive year.

The next Scottie Scheffler is in this field. You can watch the next Wyndham Clark warm-up on the range. You can walk with the next Viktor Hovland at this event. You can witness the next Will Zalatoris hoist a trophy on the 18th green. You can take home an autograph from the next Max Homa. You can see the next Tony Finau accomplish a lifelong goal and secure a PGA TOUR card. Those alumni are among the multitude of PGA TOUR winners who rose to stardom after graduating from the Korn Ferry Tour.

The Korn Ferry Tour will shape the foundation of future Presidents Cup teams, produce another No. 1 player in the Official World Golf Ranking, prepare the next FedExCup champion and possibly a major championship winner. All those possibilities come into focus on the Korn Ferry Tour. As PGA TOUR Commissioner Jay Monahan declared last year, the Korn Ferry Tour is golf's ultimate proving ground.

You are joining us at an exciting time in our 35-year history.

The 2024 Korn Ferry Tour season will see our membership compete across 26 events and six countries for 30 PGA TOUR cards. The Korn Ferry Tour continues to attract a robust group of international members and will capture more emerging talent through PGA TOUR University.

Thank you for your support of the Korn Ferry Tour and our tournaments, and I hope you have a tremendous experience this week as you watch the next generation of PGA TOUR stars lay the foundation of their respective legacies.

Have fun this week,  
**Alex Baldwin**  
*Korn Ferry Tour President*

Official Leadership Development Firm of the PGA TOUR

# OVERNIGHT SUCCESS? YEAH, RIGHT

For the ambitious, both on and off the course, there's no such thing as a 9-to-5. It's a lifetime of learning, improving, and pushing the boundaries.

Korn Ferry unleashes potential in people, teams, and organizations. Find out more at [kornferry.com](http://kornferry.com)

# A message from **Mike Gerrish**

## **Welcome, Friends!**

We are so happy to have you as part of the Blue Cross and Blue Shield of Kansas Wichita Open Benefitting KU Wichita Pediatrics! This week is about so much more than golf, it's about giving back to our community and investing in the health of area children.

At Blue Cross and Blue Shield of Kansas, we are Kansans serving Kansans. And events such as this are great opportunities to not only raise money and awareness for a phenomenal cause such as KU Wichita Pediatrics, but to join our fellow community members in support.

This week features many opportunities to engage with the tournament and one another through events and networking. We hope you have a wonderful and enjoyable experience this week connecting with fellow Kansans and contributing to this worthwhile cause. We thank you for your time and support.

Best wishes,

A handwritten signature in blue ink that reads "Mike Gerrish". The signature is fluid and cursive, written on a light blue background.

Mike Gerrish  
Vice President, Chief Marketing and Experience Officer

# DIVISION OF Pediatric Hematology and Oncology

## Together for Kansas Children. Forever.

We assemble a comprehensive, customized team for each individual child we serve, focusing on **all** aspects of the child's care with the **one** goal of improving that child's health.

### OUR VALUES

#### Service to the community

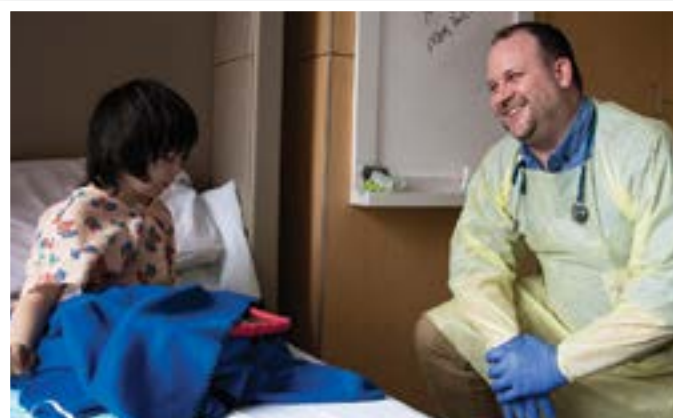

- Our dedicated pediatric hematology and oncology team is committed to the well-being of the communities we serve.
- We care for children in the entire state of Kansas and the surrounding states with hematologic and oncologic needs.

#### Keeping kids close to home

- The number one goal of creating a comprehensive pediatric hematology and oncology center of excellence is to keep children and their families close to home.
- Allows families to participate and stay active with their family.
- Fosters a strong foundation of support in their local community and medical home.
- Children miss less school and parents are able to continue to work.
- Less time travelling and more time spent with family and friends.

#### Evidence-based practice

- Hematology and oncology is one of the most rapidly evolving fields and we are committed to practicing the most up-to-date treatment.
- We strive to meet the standards set forth by the Children's Oncology Group, the evidence leader in child cancer, and use best practices based on its research conclusions.
- Standards and best practices are implemented in a partnership with the patient and family to promote excellent outcomes.

“We are committed to serving the state of Kansas and its surrounding communities with prompt, high-quality, evidence-based pediatric hematology and oncology care that promotes the health and well-being of the patients and families we serve.”

— Nathan Hall, D.O., MBA, M.S., director of Hematology and Oncology Division

## OUR DIVISION

### Team approach to comprehensive care

- Care for children with disorders of the hematologic system, including white blood cell, red blood cell and platelets.
- Comprehensive pediatric hematology and oncology requires a multidisciplinary team approach.
- Individualized oncology care that places the patient and family at the center of this team, surrounded by pediatric-specialized physicians, nurses, physical and occupational therapists, social workers, pharmacists and child life specialists.
- Complimentary outpatient and inpatient resources that encompass every aspect of pediatric hematology and oncology service.

### Services

- Outpatient hematology and oncology clinic for new hematology referrals, and off-therapy oncology patients.
- Outpatient chemotherapy infusion and sedation center for oncology patients receiving chemotherapy and children requiring infusions.
- Inpatient consultative service where we are at the bedside every day working in collaboration with the comprehensive team to provide an evidence-based standard of care.

## PATIENT STORY

“Our daughter, Reese, was diagnosed with Very High Risk pre-B-cell Acute Lymphoblastic Leukemia the day before her fourth birthday. Reese started chemotherapy with Dr. Hall and his team at Wesley Children’s Hospital. She did not get into remission after two cycles of chemo, which meant she would need a bone marrow transplant. They used a newer medication (immunotherapy) that no one else in Wichita has used and it got her into remission. She was then able to go to Children’s Mercy Hospital in Kansas City for her bone marrow transplant. Since Children’s Mercy knew what detailed care she would receive in Wichita, they released her quickly after her transplant. Reese is receiving exceptional care in Wichita, so our trips to Kansas City have been few and far between. We are blessed to be able to spend time together at home instead of on the road.” – April and Josh Horn

## OUR TEAM

**2** Two pediatric fellowship-trained hematology and oncology physicians with unique and diverse backgrounds.

**1** Pediatric hematology and oncology pharmacist.

**1** Children’s Oncology Group application pending certification.

**1** One of the first pediatric hematology and oncology nurse practitioners in the region.

**45** Association of Pediatric Hematology Oncology Nurses-certified and chemotherapy-certified nursing staff.

For more information on how you can support KUSM-W Hematology and Oncology, contact Brad Rukes, KU School of Medicine-Wichita director of development, at [BRukes@KUEndowment.org](mailto:BRukes@KUEndowment.org) or 316-293-2641.
